*To Whom It May Concern:*

*Los Primos comes highly recommended from El Pinto Restaurant. We have worked together on numerous occasions and Los Primos currently plays on Wednesday's on a regular basis. Their professionalism, reliability and showmanship is impeccable. Los Primos is an absolute pleasure to do business with. I will continue to use Los Primos as our main entertainment whenever needed for special events.*

*Feel free to contact me in regards to Los Primos.*

*Thank you,*
